

TEMPORARY CHLORINATION RESCINDED

OLALLA WATER SYSTEM

February 18, 2025

The Regional District of Okanagan-Similkameen (RDOS) has discontinued the temporary chlorination of the Olalla water system effective Tuesday, February 18, 2025. Temporary chlorination has been in place since October 11, 2024, in response to Total Coliform and background bacteriological results reported during the routine monitoring of the water system. The RDOS will conduct an enhanced bacteriological monitoring program once the system is free of chlorine as the source of the bacteriological results remains unknown at this time.

For further information, please call RDOS Public Works at 250-490-4135 during regular business hours, 8:30 am to 4:30 pm, Monday through Friday.

For after-hours water emergencies, please call RDOS Regional Dispatch at 250-490-4141.

Thank you for your cooperation.
