Attention: Chris Garrish

The Territorial Stewardship Division would like to acknowledge receipt of the above referral. The Okanagan Indian Band ("OKIB") has conducted a desktop review of the project. The location of the project to which the referral relates is within Syilx (Okanagan Nation) territory, and may have impacts on Syilx Aboriginal Title and Rights, which OKIB holds as part of the Syilx. However, the project is located outside the OKIB's Area of Responsibility as a member of the Syilx. At this time, we defer to the Osoyoos Indian Band and Lower Similkameen Indian Band for a more in depth review. Please keep us informed of any updates or changes to the project as this may change our assessment and our view on the need for further consultation with OKIB.

As the proposal appears consistent with the ALC's 1982 resolution, ALC staff have no objection to the subdivision and proposed bylaws.

Be advised that the ALC must authorize the proposed subdivision for deposit at the Land Title office.
