Hello Shannon. My name is Ross Merchant. I own the property at My concern with this application is that Mr Barr in fact only owns a 1/2 acre of land of which most of the fruit trees are dead or dying from neglect. Although there are some trees left on KVR rite-of-way as well as the ones on the road allowance that goes to the property line. I do feel that there might be some misrepresentation on Mr Barr's behalf as there is not enough fruit production to warrant fruit storage/farm implement repair. I would also like to see the trees on the road allowance removed so as to provide better access for emergency personnel and equipment should that be necessary. Thank-you for the opportunity to comment on this matter. M Ross Merchant,
