Re: Zoning Amendment for Lot 8, DL 2888, ODYD, Plan 647 Except Parcel D (Plan A67) known as 15 Deans Road

The Ecosystems Section of the Ministry of Forests, Lands and Natural Resource Operations (FLNRO) provides the following response to the above noted referral.

To ensure proposed activities are planned and carried out with minimal impacts to the environment and in compliance with all relevant legislation, the proponent and approving agency are advised to adhere to guidelines in the provincial best management practices (BMP's) document: Develop with Care: Environmental Guidelines for Urban & Rural Land Development (<http://www.env.gov.bc.ca/wld/BMP/bmpintro.html>).

It is the proponent's responsibility to ensure their activities are in compliance with all relevant legislation.

If you have any other questions or require further information please feel free to contact me.

Yours truly,

Lora Nield
