

*May 01, 2021*

*We are applying to rezone our property at 8151 Princeton Summerland Road , Area F of the RDOS Electoral Area, from SH2 to SH3 in order to subdivide one lot off our parcel. We currently reside on this property.*

*We appreciate the need to keep the rural feel of Faulder, which was the reason we purchased our property, however our parcel is very large and easily capable of allowing another family to enjoy this wonderful area. We are not in the ALR as Meadow Valley is which makes Faulder a different feel entirely.*

*We feel SH3 size is in keeping with rural living at its best and also allows people to experience and enjoy making a home here. This parcel would be plenty big enough to be self sustaining with gardening, chickens and/or a small hobby farm etc. Many who live in the area drive to their employment every day with the school bus accomodating school age children making the area very family friendly.*

*Faulder is a wonderful area to raise a family, providing them with oportunities they would not have in a city enviroment, fufilling the dream of many to live rurally.*

*Thank you for your consideration, we are hoping for a favorable outcome for us.*
