Proposed variance: to be located in front of dwelling

**DEVELOPMENT INFORMATION:**

Please provide a general description of the proposed development: (e.g. "to allow for an addition over an existing garage")

See attached letter (2 copies)

**SUPPORTING RATIONALE:**

When considering a variance request, Regional District staff will *generally* assess the proposal against the following criteria:

- *is the proposed variance consistent with the general purpose and intent of the zone?*
- *is the proposed variance addressing a physical or legal constraint associated with the site (e.g., unusual parcel shape, topographical feature, statutory right-of-way, etc.)?*
- *is strict compliance with the zoning regulation unreasonable or un-necessary?*
- *will the proposed variance unduly impact the character of the streetscape or surrounding neighbourhood?*

A request to change a zoning regulation should only be considered as a last resort to a design challenge. Please explain how the requested variance(s) meet the assessment criteria listed above:
