

Attention: Christopher Garrish
Planning Department

In regards to the variants
permit application # H2023-006 -
D.V.P. 156 Towers Road

my neighbour Todd Kolinsky
is required a larger setback
on his property for his garage
~~if~~ I have to I am willing
to give him some of my
property for what he has
done for me in the past eg.
setting up sprinkler systems
during the Fire Evacuations
2 years ago and helping
me during the Flood also.

If there is anything else
I could help my neighbour
I would automatically do
it for him. I hope this
letter will help him to
receive his variants. Please
contact me for anymore
questions.
