RE: Development Variance Permit (DVP) Application
268 Creekview Rd, Electoral Area "I"

My comments / concerns are:

- I do support the proposed variances at 268 Creekview Rd
- I do support the proposed variances at 268 Creekview Rd, subject to the comments listed below.
- I do not support the proposed variances at 268 Creekview Rd.

All written submissions will be considered by the Regional District Board

I DO NOT SUPPORT THIS VARIANCE BECAUSE THERE IS ALREADY A PROBLEM WITH SNOW REMOVAL, THIS IS A STEEP UPSLOPING LOT, SO IT WILL BE DIFFICULT TO PUSH SNOW UP, PARKING IS ALSO A ISSUE ALREADY IN THIS SUBDIVISION AND 3.84 METERS IS NOT EVEN LONG ENOUGH TO PARK A CAR LENGTHWISE ON THEIR OWN PROPERTY
CURRENT OWNERS HAVE BUILT WITH THE EXPECTATIONS THAT SETBACKS WILL BE ADHERED TO, NOT HAVING MONSTER BUILDINGS BUILT WITHIN THE SUBDIVISION THAT DO NOT CONFORM AS THE ONE VARIANCE THAT HAS BEEN APPROVED
THERE HAS TO BE ROOM FOR SNOW FROM THEIR OWN DRIVEWAYS TO BE STORED ON SITE
ADDING A BASEMENT SUITE TO THESE ALREADY SMALL DUPLEX LOTS ITS OVER BUILDING AS WELL

Feedback Forms must be submitted to the RDOS office prior to the Board meeting upon which this DVP application is considered.

All representations will be made public when they are included in the Board Agenda.

Protecting your personal information is an obligation the Regional District of Okanagan-Similkameen takes seriously. Subject: DVP Application No.1202022.003-DVP 268 Creekview Road

To RDOS

Hello

We Dr Jung and Dr Marino , the owners of the duplex located at xxx Creekview Rd. are responding to the variance requested at 268 Creekview Rd

There already exists a parking and snow removal problem associated with the Cul-de-Sac at Creekview Rd
We feel that the requested variance will accentuate this problem and therefore we are against the implementation of this Variance.

Sincerely

Dr Jung

Dr Marino
