Hello,

The Ministry of Agriculture supports these changes in line with the new Riparian Area Regulations and has no additional comments.

Dear Lauri Feindell,

At this time, the Fish and Fish Habitat Protection Program will not be participating in the Bylaw Referral for the Regional District of Okanagan-Similkameen Project No. X2019.019-ZONE. The role of the DFO's Fish and Fish Habitat Protection Program (FFHPP) is to protect and conserve fish and fish habitat in support of Canada's coastal and inland fisheries resources, and to make regulatory decisions under the fisheries protection provisions of the *Fisheries Act*. The FFHPP is specifically responsible for reviewing projects for which a s.35(2) Fisheries Act Authorization is required.

If you feel that the project proposes works, undertakings or activities that may result in harm to fish or fish habitat, DFO's Projects Near Water website (<http://www.dfo-mpo.gc.ca/pnw-ppe/index-eng.html>) includes information for proponents on how to comply with the Fisheries Act, request a DFO review of a project, and request a Fisheries Act authorization.

If you have any further questions about DFO's regulatory process or need general information, contact DFO's Fish and Fish Habitat Protection Program toll free: 1-866-845-6776 or email: [ReferralsPacific.XPAC@dfo-mpo.gc.ca](mailto:ReferralsPacific.XPAC@dfo-mpo.gc.ca).
