RFP-RDOS-24-WATER SERVICES-13

WEST BENCH WATER SYSTEM MASTER PLAN AND MODELING PROJECT

The Regional District of Okanagan-Similkameen (RDOS) is seeking proposals from qualified Consultants to conduct an infrastructure review and assessment to guide upgrades with prioritized lists and cost estimates to the long term management of the water system infrastructure for the West Bench Water System. The successful Respondent shall also provide a life-span analysis of system components; provide recommendations for projected growth and a digital model of both the existing and growth components that is compatible with our mapping service.

This RFP document describes the services sought by the RDOS and sets out the RDOS's RFP process, basic proposal requirement and the evaluation criteria the RDOS intends to use to select a preferred proposal.

Respondents are encouraged to use innovation to provide a proposal that meets the needs of the Town and adds additional value to the project.
