Questions You May Have

When do I require a dog license and what are the fees?

All dogs require a license on the 1st of January . Current fees:

1. Intact Males & Non-Spayed Females \$50.00
2. Spayed Females, Neutered Males \$20.00
3. Replacement Tag \$5.00

Does my dog need to wear the license?

Yes. Your dog must wear the license on it's collar or harness at all times [unless kept in a pen or enclosure on the owner's property]. The tag allows the Animal Control Officer to contact you.

Should I have my dog on a leash?

Yes. Your dog should be on a leash for its own safety. The bylaw requires that all dogs must be under the control of a competent person when off their owner's property.

When a dog defecates is the owner required to remove the feces?

Yes. Owners are required to promptly remove and dispose of the feces . Be a responsible owner and clean up after your dog!

What if my dog has been impounded?

Your dog will be released after purchasing a tag and after payment of the impoundment fee, maintenance fees and any associated fines. Dogs not claimed within 72 hours may be humanely euthanized, sold or adopted. If an owner can't be found, every effort is made to find new homes through the adoption process.

Are there fines imposed?

Yes. Fines can be imposed at the discretion of the Animal Control Officer. They can be disputed within 14 days. If you have lodged a complaint and the investigation results in a fine, you may be required to provide evidence at a Hearing, either in person or over the phone, if the ticket is disputed by the dog's owner.
