

2238 Sun Valley Way

Property Description

There is a Reservation for The Columbia and Western Railway Company.

Current Use

The land contains a house, two storage sheds and currently has 2.5 acres of grapes planted.

Proposed Temporary Use

It is proposed that the house and yard be used as a vacation rental for a period of one year. There is a great demand for agritourism housing and the use of this property is designed to provide greater tourist accommodation in the Okanagan Falls area.

The proposed use is limited to the 4 bedroom house, yard, pool area, driveway and carport and is subject to a number of policies of use which are attached.

would like 1 year, if not May - October.
