RE: Development Variance Permit (DVP) Application
420 Panorama Crescent, Electoral Area "D"

My comments / concerns are:

- I do support the proposed variances at **420 Panorama Crescent**.
- I do not support the proposed variances at **420 Panorama Crescent**

All written submissions will be considered by the Regional District Board

We are the neighbours next door to the east of the proposed garage addition. Our house will be the closest to the new structure. We are well aware of the project details as the Toporowskis have kept us informed of their plans.

We have no objections to the proposed variance as shown on Schedule B of the DRAFT Development Variance Permit.

C. Glen Paul Glen

Feedback Forms must be submitted to the RDOS office prior to the Board meeting upon which this DVP application is considered. All representations will be made public when they are included in the Board Agenda.
