PURPOSE: To amend the Electoral Area 'E' Official Community Plan (OCP) Bylaw No. 2458, 2008, and Zoning Bylaw No. 2459, 2008, to facilitate the subdivision of approximately 41 parcels as well as the creation or a conservation area for the purposes of preserving a wildlife corridor.

Amendment Bylaw No. 2458.03, 2011: to amend the OCP Bylaw by changing the land use designation of the subject properties from part Low Density Residential (LR) to part Conservation Area (CA), and part Large Holdings (LH) to part Small Holdings (SH).

Amendment Bylaw No. 2459.06, 2011: to amend the Zoning Bylaw by adding a new Zoning District entitled 'Small Holdings Five (SH5) Zone'; and by changing the zoning designation of the subject properties from:

- part Resource Area (RA) to part Small Holdings Five Site Specific (SH5s);
- part Small Holdings (SH2), part Residential Single Family One (RS1), and part Residential Single Family One Site Specific (RS1s) to Conservation Area (CA); and
- part Resource Area (RA) to part Resource Area Site Specific (RAs).

The Site Specific component of the proposed SH5s zoning that is to be applied to the subject properties is to limit the number of parcels to 41; and to allow not more than eight (8) parcels to have a minimum parcel size of between 1,500 m² and 2,020 m² (whereas the proposed SH5 Zone only allows for a minimum parcel size of 2,020 m²).

The Site Specific component of the proposed RA zoning that is to be applied to the subject properties is to permit for the development of a sewage treatment plant.
