(required for setbacks within 4.5 metres of a road reserve)

DEVELOPMENT INFORMATION:

Provide a description of the proposed development (please attach as a separate sheet, as required):

See attached

REQUESTED VARIANCE(S):

List all requested variances to the regulations in bylaws of the Regional District. Each variance should be marked on the applicable drawings. A variance cannot be considered where use or density would be affected.

1. Bylaw (Include No.): 11.1.6 (a,i) Section: Minimum Setbacks (front parcel line)
Proposed variance: 7.5m to 1.5m to outer most projection

2. Bylaw (Include No.): 11.1.6 (a,iv) Section: Minimum Setbacks (Interior Side parcel line)
Proposed variance: 3m to 2.4m to outer most projection

SUPPORTING RATIONALE:

All new development should meet the Regional District's applicable bylaw standards. A variance is considered only as a last resort. An application for a development variance permit should meet most, if not all, of the following criteria, in order to be considered for approval (please attach as a separate sheet, as required).

1. The variance should not defeat the intent of the bylaw standard or significantly depart from the planning principle or objective intended by the bylaw. Please elaborate how the requested variance meets this criteria:

See attached

2. The variance should not adversely affect adjacent or nearby properties or public lands. Please elaborate how the requested variance meets this criteria:

3. The variance should be considered as a unique solution to an unusual situation or set of circumstances. Please elaborate how the requested variance meets this criteria:

4. The variance represents the best solution for the proposed development after all other options have been considered. Please elaborate how the requested variance meets this criteria:

5. The variance should not negatively affect the natural site characteristics or environmental qualities of the property. Please elaborate how the requested variance meets this criteria:
