

2710 Workman Place, Naramata

Tourist Accommodation Use Permit

Application for Tourist Accommodations

Season: May 1, 2024 to September 30, 2024

The intention is to provide tourist accommodations for short term visits to the Okanagan area that would typically be 1-3 days per stay. Included are two small units that are approximately 450 square feet each. Each unit would accommodate 1-2 guests. No pets would be allowed on the property. Each unit includes a queen size bed and full bathroom with a small sitting area. The total square footage of both units is approximately 900 square feet.

The rental season is May to September.

Reasoning for this Tourist Accommodation Use Permit Application:

- To bring affordable, private and unique accommodations to the Naramata Region
- To boost tourism (and the local economy) in both Naramata and the surrounding Southern Okanagan area by providing more flexible affordable accommodations that make it easy and comfortable for visitors to visit the area.
- To create and support community and employment opportunities for local residents, specifically by providing jobs in the following areas: cleaning, landscaping and maintenance work that is required to maintain the property.
- To supplement the cost of owning a property in Naramata
