

Hello neighbors and community members,

My name is Jarid Shea. Alongside my wife Jackie, we have a deep-rooted connection to the beautiful village of Naramata. Since childhood, Jackie and I have been enchanted by the landscapes and warm hospitality that define this area. Now, as parents to three young girls, aged 5, 3, and 3, we want to share the same cherished experiences with our children that have shaped our fondest memories.

Our Vision:

Naramata holds a special place in our hearts, and we believe it deserves to be experienced by others seeking respite from the hustle and bustle of city life. We've noticed a limited availability of accommodations in the summer months, and it's our heartfelt wish to open our doors to fellow families, providing a cozy retreat when we're not there ourselves.

Commitment to Community and Preservation:

Our property will be meticulously managed and cared for around the clock, in full compliance with local bylaws and behavior policies. We understand the importance of preserving the tranquility and natural beauty of this area, which is why we're committed to upholding its pristine nature. Our rigorous guest screening process ensures that only families who share our reverence for this community and its surroundings will be welcomed.

Investment in Revitalization:

We've poured our hearts and resources into renovating a once-vacant home, breathing new life into its walls. Our vision is to create a vibrant hub where children can frolic, draw chalk on the driveway, and revel in the simple joys of childhood. Our goal is not just to provide lodging but to foster a sense of belonging and community spirit.

Local Integration and Future Plans:

As a young family, we dream of making Naramata our permanent home. Jackie's expertise as a NICU Nurse at the Stollery Hospital and my role as a business owner with a growing enterprise could bring valuable contributions to the local economy and healthcare system. Our hope is to not only contribute to the fabric of this town, but to become integral members of its close-knit community. This is our start.

Conclusion:

In closing, we humbly present our proposal with sincerity and optimism, seeking your support in our endeavor to share the magic of Naramata with others.

Thank you for considering our proposal, and we look forward to the opportunity to contribute positively to the cherished community of Naramata.
