ADDENDUM NO. 2

By this Addendum #2, the Request for Quotes document for the above noted Project shall be amended as specified below. This Addendum is being issued in response to questions submitted to the RDOS.

Q1: When considering a 3-year warranty, how valuable is an onsite warranty (Lenovo visits directly) or an accidental-damage warranty?

We do not require Lenovo to visit on site; the main concern is that the products are covered from all damage, for 3 years.

Q2: How would using a Lenovo Tiny Desktop M70Q with the same specs impact your team vs the M80Q Tiny Desktop?

We have spec'd the M80Q and not the M70Q as it supports features such as vPro and DDR5.

Q3: Will you be looking to have all equipment shipped to the Penticton office, or would you like anything sent to other locations across the South Okanagan?

All equipment is to be delivered to the Penticton Office 101 Martin Street.

Q4: Do you have language preferences (multilingual or English) for the products?

English language.

Q5: Would you accept the Lenovo touch screen model for the laptops or another similar or better product from a different manufacturer?

*Touch screen is acceptable provided all other specs are met. **No** substitutions for other manufactures are permitted.*

The deadline for the submission of quotes remains unchanged as Friday, June 21, 2024 at 2:00 PM PST.
